

PRINTeL Project Quality Mid-term Evaluation – Partners Survey

As part of the PRINTeL project's mid-term quality evaluation, this survey aims to gather input from the Consortium members regarding the quality of project's implementation from October 2017 until June 2019. The survey results will provide the project manager and the partners with part of the basis for identifying appropriate actions to address particular issues in the implementation and management, and reinforce initiatives that demonstrate the potential for success.

The survey should take no longer than 10 minutes to complete! Thank you in advance for your collaboration.
